Preschool Admissions

Overview

Students are admitted to Centro Armonia School on a first come, first served basis subject to availability. Priority enrollment consideration is given to: re-enrolling students and students enrolled in the summer program.

Application and Enrollment Process

The first step in Centro Armonia School's enrollment process is to visit the school to insure that Centro Armonia is a good match for your child. If Centro Armonia is a good match for your child and you wish to enroll your child in the program you can obtain an enrollment packet during your on-site visit.

The next step in the enrollment process is to complete an application form and submit it to the school along with the following non-refundable fees:

- Registration fee (\$100 per child or \$150 for more than one child)
- First month's tuition
- Enrollment fee (equal to the first month's tuition)*

Note: The enrollment fee will be applied to the final month's tuition (June) provided the student remains at Centro Armonia School for the full academic year (September – June) and all other fees are current.

Non-Discrimination

Centro Armonia admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, athletic and other school-administered programs.
